## GENERAL NOTES

1. Set up began at approximately 9:00 AM and was completed at 9:47 AM (including soundcheck). Carpenters assisting were released at 9:30 AM to work on *Phantom* show notes.
2. The house was formally handed over at 10:27 AM.
3. A super enthusiastic crowd! They responded great to audience participation and were very vocal during the display moments.
4. Jeff received audience members out front after the performance.
5. Strike and load-out commenced immediately following house clear and was completed at 12:39 PM.
6. In order to preserve the paint, a 4:1 water to 70% alcohol mixture was used to clean spots on the stage deck where a straight paper towel did not fully dry the bubble solution.
7. "You have the bestest crew ever." -A direct quote from Jeff.
